"Dealer" of any defects or questions relating to proper maintenance or lubrication schedules.

**2. REPLACEMENT OF MALFUNCTIONING EQUIPMENT.** If the equipment becomes unsafe or is in disrepair as a result of normal use, Customer agrees to discontinue use and notify Dealer who will replace the equipment with similar equipment in good working order, if available. Customer may not sublease or loan the equipment without Dealer's written permission. Any purported assignment by Customer is void.

**7. TIME OF RETURN.** Customer's right to possession terminates on the expiration of the rental period and retention of possession after this time constitutes a material breach of this contract. Time is the essence of this contract. Any extension must be mutually agreed upon in writing.

**8. LATE RETURN.** Customer agrees to return the referred goods during Dealers regular store hours, upon termination of the rental period. If not timely returned, Customer shall pay an additional rental charge.
