SPECIAL CONDITIONS

1. This contract will identify a vendor or vendor's who can provide turnkey services in the areas of 1) metal stud, wood framing, 2) drywall to sheetrock, tape, bed, and texture, 3) gypsum board installation 4) plastering 5) stucco & drivet, 6) interior painting 7) exterior painting, 8) suspended ceilings 9) acoustical ceilings 10) drop ceilings 11) grid ceilings 12) installation and repair of doors, door frames, and all associated hardware 13) door repair, painting & restoration 14) Insulation installation 15) Wood siding 16) elastomeric waterproofing 17) decorative stone 18) masonry repair, restoration, replacement 19) concrete services, repair 20) selective demolition
2. All proposals must include vendor's bonding, insurances, and licenses to do this type of business in El Paso County. Vendors wishing to be considered will provide a letter with their proposal submittal stating they can provide bonding as stated in special conditions.
3. This contract is not for new construction but for remodeling and extensions of existing facilities.
4. Depending on the total amount of each project, the awarded vendor must have the ability to obtain performance and payment bonding at the cost of the client when required.
5. Vendor agrees to furnish copies of all invoices for materials to the client when invoices are submitted for jobs completed.
6. All tools, brushes, ladders, extensions, rollers, and trade supply materials will be included with per square foot pricing, and cannot be included with invoices submitted for payment).
7. Any required permits will be the responsibility of the vendor who will charge back the client at cost.
8. Clients reserve the option to purchase their own materials to insure the quality of their choice.
9. Vendor agrees to have full crew working to expedite work and be willing to work after hours and on weekends to eliminate interruptions.
10. Any permits required will be the responsibility of the awarded contractor who will add the cost of the permits on to the invoice.
11. Any required licenses or permits should be provided at the time proposals are submitted.
12. Any and all cleanup and removal from work site will be the responsibility of the awarded contractor
13. Any work under this contract that exceeds \$25,000 will require a payment bond and any work project exceeding \$100,000 will require a payment bond and a performance bond. The cost of the bonding will be added to pricing and paid by the Purchasing coop member utilizing the services If vendor cannot provide bonding he must state so at the time the proposals are submitted..
14. Additionally, vendors must provide general liability, auto liability, and workers compensation at the time that proposals are submitted. Vendors who do not have Workers Compensation Insurance for all employees will not be considered for award. Insurance as stated in the boiler plate must be included with submittals.
15. Any projects that would require an architectural seal will be the responsibility of the Purchasing Cooperative Member to have their architect work with the awarded contractor for assurance that all requirements are being met.
16. All work performed under this contract will come with a one year warranty as to workmanship and functionality.
17. Escalation on pricing during the contract term will be considered due to the commodity fluctuations on raw products primarily used in the manufacture of materials tied to this contract and also OPIS El Paso rack pricing and the CPI will be considered grounds for pricing increases during the contract period due to current conditions in the US economy.
18. Awarded vendors will be responsible for contacting each school district and advising them of this award, and will deal directly with each Purchasing Cooperative member for all work performed under this contract.

SPECIAL CONDITIONS – (cont)

19. In those instances where Federal funds are being spent, vendor agrees to minimally pay Davis Bacon Wage rates and provided payroll if requested.
20. This contract will be for use as needed by all ESC Region 19 Purchasing Cooperative Agencies in El Paso, and the intent of this bid is to get the best value for all membership through economy of scales purchasing practices and save funding by reducing costly administrative time and money in processing service requests.
21. Award basis and evaluation will be 50% pricing, 20% contractor's equipment & staff, 20% references and 10% contract compliance. ESC Region 19 also reserves the right to utilize other Texas Education Code evaluation criteria in the evaluation process, when determined to be in the ESC Region 19 Purchasing Coop's best interest.
