EXPLANATIONS:

Award of this contract will enable Region 19 and its Purchasing Cooperative members to purchase printing and promotional supply products and services during the contract period. Proposals submitted from vendor's who did not provide required catalogs (items 1-8) were not considered for award. A proposal from Blue Moose Tees did not include any required catalogs for evaluation purposes, hence it was not considered for items 1-8. A proposal from CD Photography was received by fax and was not considered. The evaluation committee determined it would consider two (2) catalogs per commodity category per vendor in the best interest of the Region 19 Purchasing Cooperative members for selection purposes. **Any vendor who took exception to standard shipping/handling being included with the catalog discount including this fee was not considered for award. It is however understood that when a coop members requires a rush or expedited order, those fees will be negotiated prior to placement of the order so that accounts payable is not paying for S & H unless agreement has been made on the original purchase order for goods to be purchased.**
