Southwestern Mill Distributors, Inc.
Spectrum Paper Co, Inc. (HUB)

TOTAL (estimated) **\$5,000,000.00 / year**

EXPLANATIONS:

Award of this contract will enable ESC-Region 19 and its Purchasing Cooperative members to purchase a diverse line of consumable supplies in the areas of trash receptacles, dispensers, bag liners, custodial paper, food service and related items during the contract period. In some circumstances, it was not in the best interest to consider certain local or out of town vendors who partially responded to certain items for large orders when many smaller Region 19 Cooperative members would not have been able to buy the quantities required by the vendor per the written response. In those few instances, an award is recommended in the best interest of all ESC Region 19 Cooperative members while satisfying the cost savings of volume commitments by the ESC Region 19 Purchasing Cooperative. Additionally, vendors who were not low bid on 5 items or more were not considered in the best interest of the ESC Region 19 Purchasing Cooperative for this contract. Vendors who did not submit the correct RFP in compliance to the terms were not considered.
