EXPLANATIONS:

Award of this contract will enable ESC-Region 19 and Region 19 Allied States Cooperative members to purchase the stated electrical supplies when required during the contract period. Multiple awards have been made for each category of electrical supply in an effort to provide expedited services to the Region 19 Allied States Cooperative members when products are needed to MRO requirements. It is recommended that when confirming pricing, the vendor include the Trade Services Pricing, show the discount for that item and extend the discounted pricing out when placing orders. A proposal from DJ Electric was received and incomplete therefore was not considered.
