**Champion Track and Turf Repair** – We are a track repair and track re-stripe company; we will repair cracks in the track and asphalt base. We repair areas that are loose or delaminating (separating from the base). We will take out all the areas of the track that need to be repaired and the exposed areas will be replaced with a full depth of rubber repair. We will touch up any track markings that are taken out by our repairs. We offer a complete re-stripe of any track. In addition to track repair, we do seam repairs to artificial turf athletic fields. We offer a complete deep cleaning and de-compacting of the synthetic sports fields. We also do 10 point G-max testing on all surfaces.

All of our track repair and track re-stripe jobs are quoted separately. We will walk the track with a school representative and will talk to them to help us determine how extensive the repair or re-stripe will be. We have a 20% markup on all our materials and supplies. The rest of the cost of the job is labor and will be determined by the extent of the repairs.

**Warranty** – All track repairs, re-stripes, and seams have a 90 day warranty. Contact vendor for more information.

**Services offered in-** Arizona, Arkansas, Alabama, Georgia, Iowa, Kansas, Louisiana, Mississippi, Missouri, Nebraska, Nevada, New Mexico, Oklahoma and Texas

**Review Maintenance Procedures**

## **NovAcrylic Sport Surfaces**

**Nova Sports U.S.A.** Is dedicated to providing the acrylic surfacing buyer with a superior product and the highest level of surface.

High-Performance All Weather Court Surface

Texture – all Novacrylic surfaces is achieved by using non-angular aggregates

**Novafil®** 100% acrylic sand filled texture applied to pavement to hide some of the voids and provide desired texture to the court surface.

**Novacoat®** 100% acrylic heavily pigmented topcoat and is the final topcoat to produce a tough flexible wearing surface

**Novacushion®** rubber filled 100% acrylic coating formulated to provide some shock absorbing qualities to a tennis court

**Combination Surface®** is a higher quality version of a field mixed blend of our Novacoat and Novafil materials.

**Novabond®** a surfacing of Portland cement pavements, used as a primer and as an additive to a slurry mix that promotes adhesion of acrylic coating to concrete.

**Novatex®** is the whitest, highly hiding, textured line paint.

**Novaline®** Non textured line paint for spray application

**Seal A Line®** 100% acrylic primer for lines applied with the use of masking tape.

**Novacaulk®** is a two-step system of repairing cracks

**Novatrack®** is a highly pigmented 100% acrylic filled with colored EPDM rubber

**Novaplay®** is a special coating that looks like a tennis court surface but is formulated with tougher acrylics and has the ability to stand up to rough surface.

**Novaplay II®** is a variation of Novaplay with a smooth, slightly textured finish

**Novasurface®** pure acrylic resurfacer used to hide defects in the pavement prior to the application of a Novacrylic color system

**Services offered in – Pennsylvania and Texas**

## **Category 2 - Athletic / Multipurpose Facilities Floor Installation, Maintenance and Refinishing Products and Services**

**Mondo** – Resilient athletic flooring system to be installed over concrete. Mondoflex II is prefabricated resilient athletic flooring; a composite made of three layers where the first and second layer are made of 100% vulcanized virgin rubber, a thermoset material, and a third layer (base) is made of a three-dimensional recycled polyurethane foam.

**Warranty-** Manufacturer's current standard warranty. Flooring is warranted to be free from manufacturing defects for a period of two (2) years from the date shipped. Flooring is warranted against excessive wear under normal usage for a period of five (5) years from the date of installation.

**Signawood** – a hardwood high performance, resiliently-supported gymnasium flooring system utilizing a prefabricated sleeper with dual density inset pads.

**Warranty** – a 3 year guarantee for the finished wood flooring and associated work, agreeing to repair or replace flooring which shrinks, warps, cracks or otherwise deteriorates excessively or which buckles, delaminates or fails to perform as required or represented by the manufacturer due to failures of materials and workmanship.

**Connor Sports Flooring** – floating sports system providing shock absorption, consisting in general of a vapor barrier, resilient Rezill pads, plywood sleepers, optional plywood subfloor, maple flooring, sanding, sealers, finishes, game lines and wall base.

**Warranty** – one year and is limited to flooring materials, contact vendor for more information.

**Category 3 – Athletic Tracks, Fields and Courts & Category 4 – Athletic and Recreational Fields Surfaces**

**Renner Sports Surfaces** – running track construction, clay courts, play courts resurfacing, professional track striping and graphics and acrylic coatings.

**Post-Tensioned Tennis Courts**

**RSS-100 Surface** – 100% polymer-bound surface

**RSS-200 Surface** – 100% polyurethane-bound porous base mat/structural spray surface

**RSS-3000 Surface** – 100% polyurethane-bound (non-porous mat/spray) that offers outstanding all weather performance and durability.

**RS-400 Surface** – 100% polyurethane-bound (a sandwich system) embedded rubber particles provide increase rebound.

**RS-5000 Surface** - 100% polyurethane-bound (a sandwich system) embedded rubber particles provide increase rebound.

**SportMaster Sport Surfaces - 100%** acrylic color coatings for tennis courts, running tracks and multi-purpose sports surfaces, tennis courts & basketball courts.

**Ready-Mix Color**

**Color Concentrate™**

**Color concentrate™ with Sand**

**SportMaster® Resurfacers**

**Acrylic Resurfacer**

**Level Master™**

**Acrylic Resurfacer with Sand**

**SportMaster® Patching & Crack Filling Materials**

**Acrylic Patch Binder**

**CrackMagic™**

**Acrylic Crack Patch**

**CourtFlex™ Crack Sealant**

**T/C White Line Paint**

**Stripe Rite®**

**Pre-Dispersed Black Pigment**

**Acrylic Adhesion Promoter**

**SportWax™ Clear Coat**

## **ACT Global**

**XtremeTurf** – Xtreme Premier Turf SPC55 is designed for American Football, Soccer and Baseball use and consists of tufted blend of special parallel cut hybrid fibrillated fiber on a reinforced multi-layer backing.

**Sports – Xtreme Turf** – is the choice of professional sports facilities worldwide. Their products have proven athletic performance with comparisons to natural grass in the areas of skin abrasion, foot stability, traction, shock absorption, ball movements and slip resistance.

**LandScape – Xtreme Lawn** – high quality artificial grass, Xtreme Lawn is non-toxic, environmentally friendly and perfect for pet runs, playgrounds, yards, landscaping and more.

**Aviation – AvTurf** – high quality artificial turf.

**Landfill – LiteEarth** – is patent synthetic grass capping system for the long-term cover of landfills, coal ash, gypsum deposits and land reclamation projects, combining synthetic turf and impermeable EPDM membrane into a durable and aesthetically pleasing composite.

**Warranty** – Eight (8) year standard warranty – contact vendor for more information and details.

**Services offered in** – New Mexico and Texas
