Award of this contract will enable ESC Region 19 and its various programs to comply with the new EDGAR (Education Department General Administration Regulations) 2 CFR Part 200 as it relates to the expenditure of federal funds. The evaluation committee utilized a point system with weight factors of 55% pricing, 25% content and quality of goods and/or services, and 20% reference checks. The University Of Pittsburg Institute Of Learning did not agree to the administrative fee of 2%, therefore they were not considered and subsequently had all previous contracts terminated. After several attempts to contact Octavio's Custom Drapery, Inc., they did not provide ASC with any references or necessary paperwork that was requested, therefore they were not considered for this award. After several attempts to obtain references for Elegar Blinds & Shutters there were no references returned for and therefore they were not considered for this award.
