SPECIAL CONDITIONS- READ CAREFULLY

1. Vendor must have a local facility with adequate equipment and space to perform all installations in a secured environment for this contract.
2. Vendors wanting to be considered for award must provide a copy of general liability, garage liability, auto liability (including cars to be serviced), and workers compensation with submittals.
3. This bid will be a discount from manufactures suggested retail pricing which in some instances changes routinely due to current market conditions and cost of goods sold. The discount will apply from the current MSRP.
4. Any vendor wishing to be considered for award of a particular company must either keep all accounts current with the latest hard copy of the manufacturers pricing or maintain a web site with PDF files of the current pricing. Failure to maintain current price lists throughout the contract period will be grounds for immediate termination of the contract.
5. Awarded vendors must provide onsite service and installation when the Region 19 Purchasing Cooperative members states services are required in house.
6. A statement of training required to operate equipment must be part of this contract and included in writing with this submittal.
7. In an effort to eliminate downtime and warranty issues, vendor agrees it will perform all installations in accordance with product instructions, including properly wiring and fusing products and routing wiring; as an example, no running 1 power wire and tapping into it for other parts that should have separate power wires, only putting in 1 or 2 screws to mount an item instead of the 4 required for proper mounting, and running the wire in places where it will get pinched or cause shorts.
8. In an effort to enhance the quality of installation, no bids will be considered unless the vendor agrees to a minimum warranty period of 3 years for parts and labor on all electrical and mechanical equipment installed as a result of this contract award.
9. Award criteria weight factors for this contract will be 60% pricing, 15% references and track record for this vendor based on references and other means to confirm the vendor's capability to perform the work, 15% overall selection and quality of products submitted, and 10% location and response time for both installations and warranty work.
10. Awarded vendor (s) under this contract will be required to provide the number of labor hours with each job request prior to commencement of installation; excepting major unforeseen circumstances (determined by Region 19 Purchasing Coop Member), the labor price quoted will be the only responsibility of the coop member and this amount will be included with the purchase order issued.
