**Vendors have agreed to service all Cooperative Members**

## **SPECIAL CONDITIONS**

1. Contractor is responsible for all installations and warranty of carpet/composition tile/ tile as recommended by manufacture. All labor warranty will be for 12 months from date of acceptance by the Region 19 Purchasing Cooperative member.
2. All glues, adhesives, primers, and supplies necessary for preparation and application of the referenced floor, wall, and surface installations must be included with the installed pricing submitted.
3. Contractor is responsible for disposal all excess carpet/debris and cost should be included with pricing submitted
4. Selection of colors will be submitted with bid for evaluation purposes
5. Bid prices must prevail for a period of one year from the date of award unless stated otherwise in special conditions.
6. This contract may be used by all existing Region 19 Purchasing Cooperative members as well as any other members that may join during the contract period.
7. Selection of colors for floor base will be submitted for evaluation purposes.
8. All installations will be coordinated through the Administrative Staff members designated by each Purchasing Cooperative Member.
9. General liability, automotive liability, and workers compensation insurance must be provided with bids for award consideration
10. In instances where the District has determined that a single project will exceed \$25,000, the awarded contractor will be required to provide a payment bond. Instances that require carpet installations exceeding \$100,000 will require a Performance bond and a Payment bond.
11. Each awarded vendor will be responsible for meeting with each school district and communicating their awards to the appropriate departments of each Purchasing Cooperative Member District.
12. Specification and Data Sheets must reference the items on the bid and must be submitted with the bids for evaluation and award consideration.
13. Region 19 ESC and its Cooperative members reserve the option to award this bid on an item by item basis, all or none, or to group individual items whichever is determined to be in the best interest of the users of this contract.
14. It is specifically understood that each coop member reserves the option to purchase related items such as supplies required for proper application from the low vendor.
15. This bid does not cover asbestos and other hazardous waste issues, hence the client must provide prior written knowledge to the awarded contractor in those instances where asbestos or hazardous waste is known to be present.
16. Any removal of asbestos or hazardous waste will be the responsibility of the customer prior to commencement of any work provided by the awarded contractor.
17. Award basis will be 50% pricing and 50% past performance and reference checks with comparable accounts.
18. If during the contract period, the awarded vendor consults and takes measurements and the member decides not to use this contract, the member agrees to pay an hourly rate for measurements, estimating, and consulting to be paid by the Region 19 Purchasing Coop member.
19. All green and LEER certifications, data sheets, MSDS, and other material data must be submitted with proposals for award consideration.
