Award of this contract will enable ESC-Region 19 and its Purchasing Cooperative members to purchase and have delivery to each of its facilities on a regular route schedule for milk, dairy and related food nutritional requirements. The evaluation committee has recommended Price's Creameries who was low bid on 97% of all items bid and also agreed to hold its pricing firm for through August 1, 2012. Additionally, the vendor has agreed to extend this pricing to any ESC Region 19 Purchasing Cooperative members in the El Paso and locally surrounding area. The proposal from Ben E. Keith was not low, incomplete, and not considered. The proposal from GH Dairy was the highest in price, tied to monthly price increases/decreases, and Region 19 Coop members could not budget based on monthly price changes. The proposal from Price's agreed to low firm pricing through August 2012 in the best interest of Region 19 Coop members.
