TOTAL (estimated) \$5,000,000.00/ year

EXPLANATIONS:

Award of this contract will enable ESC-Region 19 and its Purchasing Cooperative members to purchase a diverse line of consumable supplies in the areas of dry and liquid cleaners and all floor care products during the contract period. In some circumstances, it was not in the best interest to consider certain local or out of town vendors who partially responded to certain items for large orders when many smaller Region 19 Cooperative members would not have been able to buy the quantities required by the vendor per the written response. In those few instances, an award is recommended in the best interest of all ESC Region 19 Cooperative members while satisfying the cost savings of volume commitments by the ESC Region 19 Purchasing Cooperative. Additionally, vendors who required 21 days or longer for delivery ARO and were not low bid on 5 items or more were not considered in the best interest of the ESC Region 19 Purchasing Cooperative for this contract. Vendors who did not submit the correct RFP in compliance to the terms were not considered. **An award amendment was added to Item 139 under the General Purpose Catalog for Southwestern Mill Distributors, Inc. for the Spartan Catalog as of February 2012- Turn Key Gym Floor Maintenance. An award is recommended in the best interest of all ESC Region 19 Cooperative members while satisfying the cost savings for this type of work.** Administration determined that it was in its best interest to extend this contract for year 2 of a 2-year contract. Many vendors who did not perform in compliance to the terms were removed and in those instances, other vendors who were 2nd or 3rd low were re-awarded by administration. Also, a letter was sent out requesting vendors to respond on whether they could hold pricing or needed increases. Only those vendors who responded were considered during this process for the extension of another year.
