increments not to extend beyond 48 months in the aggregate

(Extended by Region 19 until August 31,2015) (Extended by Region 19 until August 31,2016) (Extended by Region 19 until August 31,2017)

FUNDING SOURCE: Various RFQ's ISSUED: 44 RESPONSES: 2

ADVERTISEMENT DATES: El Paso Times August 5, 2013 & August 12, 2013

BOARD MEETING DATE: October 17, 2013

RECOMMENDED FOR AWARD Ecolab, Inc.

TOTAL (estimated) \$375,000.00/ year

EXPLANATIONS:

Award of this contract will enable ESC Region 19 Purchasing Cooperative members to purchase goods and services from the recommended vendor for daily requirements to operate commercial dishwashers. No pricing increases are reflected over the previous contract. This particular contract is used by most all of the Region 19 Purchasing cooperative members who have commercial dish machines. Additionally, Ecolab offered and agreed to value added services and pricing for repair and related services for Region 19 ASC members using this contract.

Attn: Mr. RoyceCleveland,

RE: RFP #13-6969 Answer to question24

24. Provide details on other value added services the vendor can provide such as dish machineparts replacement and trouble shooting, etc.:

Ecolab, Inc can supply our spot pac dish machine parts, a complete line of repair parts available to Region 19. All items above the dish machine water line will be replaced with no labor charges. Below water line replacement parts come with technical assistance and aid introuble shooting problems.

Ecolabcan provide water filtration systems for steamers and ice machines. Filtration systems are installed and filters replaced at appropriate intervals with no laborcharges if purchasing Ecolabsystems and filters.

Ecolab can provide the Daydots Food Safety Solutions to Region 19. Food rotation labeling discounted 10% and all other items 5% from current catalog pricing.

All Ecolab personnel are Serv Safe certified. Ecolab representatives provide normal dish machine service as per bid specifications and can also provide the Ecolab 360 of protection program, taking every aspect of your operation into account.

Ecolab offers a complete testing facility to our customers to help solve tough cleaning issues, not only in the kitchen but in the entire facility.

Ecolab local reps have over 85 combined years of experience in the industry. They can provide bilingual inservice training for Region 19 employees.

Ecolab can provide a full line of lease dish machines to Region 19; single, double and conveyor. Ecolab will install machines, train Region 19 employees on operation, as welf as provide all parts, labor and service for the entire lease period.

Kind Regards,

Shaun Freeze Ecolab Inc. Government SalesManager

RE: Bid Contract 136969 DIsh Machine Supplies, Service & Related

Dear Mr.Cleveland,

Ecolab would like to add pricing for dish machine leases to contract 13-6969 in order to meet the needs of several customers that are part of the Region XIX ESC. Dish machine information and pricing has been attached for your review.

If dish machine leases are added to the contract, we would like to accommodate Cameron County with special pricing. They are currently leasing machines from Ecolaband would like to continue doing so using contract 13-6969, if we can honor current pricing.

Please let us know if you agree to add the machines at the pricing below, and if we can honor current pricing with Cameron County.

f you have any questions, do not hesitate to call me at (651) 250-4311.

Sincerely,

Shaun P.Freeze

RE: Dishmachine Lease Process:

To Whom It May Concern,

Ecolab Inc. offers Dishmachine Lease Programs for your various Dishwashing needs. Below is a step by step guide if how the lease process works-

- Call the 1-800-352-5326 number to contact your local Ecolab representative to survey the location
- The Ecolab representative after the survey will make a machine recommendation to the location
- After the machine has been agreed upon the parties will sign a lease agreement
- Once the lease is signed then the machine will be ordered, a install date will be set by both parties and the machine will be installed by Ecolab

If there are any questions, concerns or something else needed please feel free to contact me.

Regards,

Shaun Freeze Ecolab Inc.

Government Sales Manager

5. NOTICE OF CHANGES. The prices under this Agreement will remain in effect for a minimum of one year. Thereafter, Ecolab may increase the base lease rate and any additional charges and extended service prices at any time upon notice to Customer. In the event of a price increase, Customer may terminate this Agreement by giving 60 days' written notice to Ecolab. To be effective, notice must be received by Ecolab within 30 days after the price increase takes effect. Where applicable, Customer must pay any sales tax and any personal property taxes levied upon the Equipment.

- 6. LOSS AND DAMAGE. Customer is responsible for any loss, damage, theft, or destruction of the Equipment while on Customer premises and beyond Ecolab's control. In addition, Customer is responsible for any damage or destruction caused by the removal of the Equipment by another person or entity other than Ecolab.
- 7. DELIVERY. Delivery will be at Customer's request or as soon thereafter as is practicable. Customer must provide plumbing and electrical hookups and any and all required governmental permits. Customer will provide all utilities (including, without limitation, electricity, 140 degree F hot water and maintain water hardness no higher than 8 grains per gallon) necessary to operate the Equipment.
- 8. DEFAULT. Customer will be in default under this Agreement if Customer fails to comply with any terms of this Agreement (time being of the essence), if the Equipment is moved, substantially damaged or encumbered, Customer dies, is dissolved or becomes insolvent, or any action for the benefit of creditors is taken with respect to Customer. Upon default, Customer's rights under this Agreement will, at the option of Ecolab and without notice to Customer, be terminated (but Customer's outstanding obligations under this Agreement will survive any termination) and Ecolab will have the right to take immediate possession of the Equipment and to exercise any other remedies available to it in law or in equity. If Customer fails to surrender the Equipment within 30 days from the effective date of termination, Ecolab will invoice Customer for the fair market value of the Equipment and any other outstanding payments due to Ecolab. Customer must pay all reasonable costs incurred by Ecolab, including, without limitation, collection costs and reasonable attorneys' fees, to collect any amounts due Ecolab, or to enforce any Ecolab right, under this Agreement.
- 9. OWNERSHIP. The Equipment (including but not limited to dispensing equipment) will at all times be the sole and exclusive property of Ecolab. Customer will have no right of ownership of such property, but only the right to use the Equipment subject to this Agreement. The Equipment will remain personal property and not become a fixture of any building. Customer will not remove the Equipment without prior written approval of Ecolab. Customer agrees that Ecolab may file and the Customer will execute documentation as Ecolab deems necessary to evidence Ecolab's ownership. Upon termination of this Agreement, Customer must return the Equipment in as gooda condition as when received, reasonable wear and tear excepted. Customer may not change, alter, or repair the Equipment, or use any detergents or sanitizers in the operation of the Equipment except those provided by Ecolab or approved by Ecolab in writing. Upon termination of this Agreement and of the Equipment.
- 10. GENERAL. Customer is s lia fi soperation or use of the Equipm wo thereon ston pl ees or agen . m assign this Agreement without Ecolab's prior written consent. This Agreement will be binding upon each of the parties hereto and their representative heirs, successors, and assigns. Ecolab will not be liable for consequential or any other damages which may result from any cause beyond the reasonable control of Ecolab including, but not limited to, acts of God or government, supply or labor shortages, or transportation delays.

THIS AGREEMENT REPRESENTS THE ENTIRE AGREEMENT OF THE PARTIES. THIS AGREEMENT MAY NOT BEMODIFIED EXCEPT BY A WRITTEN AMENDMENT SIGNED BY BOTH PARTIES

RE: Contract 13-6969 Dish Machine Supply

Mr. Cleveland,

Due to recent changes in the Government Sales Department at Ecolab, I will be the official contact person with Region 19. Please let me know if you have any questions or concerns.

Thank you,

Dale Mrozinski

Government Sales Manager

RE: Contract 13-6969 Dish Machine Supply

M Cleveland,

Ecolab is requesting a 3% price increase effective November 1, 2016 for the products on our contract due to the increase in cost of Ecolab's raw materials.

Ecolab appreciates the relationship it has with Region 19 Allied States Cooperative and looks forward to our continued partnership. If you have any questions or concerns, please do not hesitate to contact me.

Dale Mrozinski

Government Sales Manager
