Aim's portfolio includes the following products, all which satisfy the requirements of assessment, implementation and monitoring: AimMentoring™, AimAttendance™, AimTruancy™, AimTutoring™

AimMentoring™ - mentoring services for students who can benefit from extra support or attention needing attendance interventions. **1 to 5000 students - \$400/license/year, >5000 students - \$380/license/year as of 8/12/2016.**

~~**AimAttendance™** - focusing on improving student attendance through daily morning communication and frequent one-on-one mentoring. ****Discontinued in 2015**~~

~~**AimTruancy™** - a yearlong program designed to empower students through individualized mentoring, case management and state of the art technology. ****Discontinued in 2015**~~

AimTutoring™- offers individual and small group tutoring services; in school and after school, to students who are struggling in their core classes or state testing and / or students looking to pursue post-secondary education. **1 to 5000 students - \$90/session/tutor, >5000 students \$85/session/tutor as of 8/12/2016.**

Aim Tutoring has a max ratio of 10 students to 1 tutor. The optimal ratio is between 5 and 7 students to 1 tutor.

Aim, LLC – does not provide customer training to personnel at the district or school level, does provide reporting.

Warranty – In an AimTruancy™ product implementation, in the event Aim issues a GPS device and the device is deemed defective, Aim will replace the device at no cost to the district. However, Aim will attempt to install its mobile GPS application on the student owned devices when possible.
